

TOTAL CLEAN BIO

DESCRIPTION

The practical combination of cleanser and wipes eliminates the need for water and towels. Cleanses and cares for hands, with glycerin, Aloe Vera, Jojoba and vitamin E. Also effective for cleaning of hard surfaces. Liquid and wipes are readily biodegradable. NSF-registered (C1).

PROPERTIES

- Excellent for removing oil, tar, ink, paint and many other hard-to-remove substances
- Removes spillage, drops and splashes from most nonporous surfaces such as tools, equipment and other objects
- Solvent free and readily biodegradable, wipes are biodegradable (EN 14046) and compostable (EN 14045).
- A great timesaver and extremely economical
- Safe, contains softening agents that prevent cracking, chafing and drying out of the skin
- Perfume free with a pleasant scent
- The wipes are absorbent and special textured for deep cleaning
- Delivered in a practical and patented container that prevents unused wipes from drying
- The OEKO-TEX certified wipes are 100% free from plastics
- An excellent complement to traditional hand cleaning systems
- Refill is available, Total Clean Zip, lessening the environmental impact with fewer discarded cans
- A VEIDEC product is to be considered "Readily Biodegradable" when at least 99% of its constituent substances has the natural ability to fully biodegrade in a set timeframe, tested in accordance with set standards. The organic content of Total Clean Bio is 100% and the liquid 99,9% Readily Biodegradable.

FIELD OF APPLICATION

- Although the range of possible use is unquantifiable, its area of speciality includes hands, tools, and other surfaces
- Removal of grease, paints, tar, oils, lubricants, inks etc.

USER INSTRUCTIONS

Use on dirty hands, equipment, surfaces etc.

Please note: When used on surfaces of glass and Plexiglas. Possible staining and traces of Aloe Vera and Jojoba must be considered.
