

BRAKE CLEAN

DESCRIPTION

Brake Clean is a n-Hexane free, high-quality and maximum pressure degreaser with a mixture of propellant and aliphatic hydrocarbon solvents, alcohol and acetone.

PROPERTIES

- Large size can means greater cost-effectiveness and fewer empty cans to dispose of.
- Maximum pressure gives more efficient, faster cleaning at over 50% greater force.
- Maximum cleaning creates a completely clean, grease-free surface.
- Does not contain n-Hexane.
- Green certified propellant with CO2 reduction up to 90%, naturally produced via organic waste = Green Propellant.

FIELD OF APPLICATION

- Brake cleaner quickly cleans and degreases brakes, clutches, and other mechanical and electrical components.
- Removes dirt, oil, grease, brake fluid and asbestos dust.
- Cleaning before bonding and sealing surfaces of lining dust, grease, oil, brake fluid, dirt, etc.
- Suitable for cleaning and degreasing metals, glass and ceramics.
- High quality product with a wide area of application.

USER INSTRUCTIONS

First remove excessive dirt/dust etc. with a brush or cloth. Ensure that rubber and plastic components will not be affected before spray is used.

1. Spray on parts.
2. Allow to run off and wipe off or let evaporate or dry with compressed air.

Do not spray on painted surfaces before you have tested paint effect with Brake Clean.

BRAKE CLEAN – BRC – 5

Art.no. 25106, 25106-2, 25106-11

Signature: JH

This product information is property of VEIDEC AB and is not to be forwarded to third persons without our agreement. The product information has been made out according to our experiences; the corresponding distributing company has to point out probable characteristics as to the use of the product as the application fields are often very different. The recommendations as to technical use are not binding and do not justify any contractual relationship and subsidiary obligations under the contract of purchase. They especially do not relieve the buyer from testing our product on his own as to the suitability for the designated field of application.

BRAKE CLEAN

TECHNICAL DETAILS

Color:	Clear.
Packaging:	600 ml tin plate aerosol: Art.no. 25106 20 L plastic bucket: Art.no. 25106-11 200 L metal drum: Art.no. 25106-2
Accessories:	Tap 20l: Art.no. 35224 Tap 200l: Art.no. 35227 Air Mix Brake Clean: Art.no. 15215-2
Odor:	Citrus.
Density (20°C):	0,727 g/ml (aerosol), 0,704 g/ml (bulk)
VOC (directive 2010/75/EU):	97 % (aerosol) 100% (bulk)
Shelf life (temp.) months (+5°C to +25 °C):	24 months.
Certificates & Registrations:	GREEN PROPELLANT, BETA.
Others:	In compliance with the legal regulations, please see current Material Safety Data Sheet. https://veidec.com/en/msds
User Instruction:	Scan the QR-code for MSDS, video and other information.

CERTIFICATES/REGISTRATIONS

GREEN PROPELLANT.

Brake Clean is registered
by BETA.

FEATURES

UP-AND-DOWN (aerosol).
