

**EXPERT****DESCRIPTION**

Very practical and useful jointer for lots of different joints, seals and spaces.

**PROPERTIES**

- A professional, patented jointer.
- Very quick and easy to use.
- Produces less waste and is easy to keep clean.
- Produces a professional result every time.

**FIELD OF APPLICATION**

- For joints on wall, bathrooms.
- Optimal curving for broad jointing in bathrooms and balconies.
- Special edge for walls and holes.
- Perfect 40° angle for jointing on glass, window sections and aquariums.
- For jointing on floors and panels.
- Pointed for extremely thin edging.

**USER INSTRUCTIONS**

1. Make sure that Expert is moistened with water or water with a detergent solution while in use.

Many people create joints using their finger. This never looks professional. Since as a finger is round an upper edge is formed in the joint where dirt and bacteria gather, making it unhygienic.
