

MULTI NOZZLE

DESCRIPTION

Flexible aerosol nozzle head for attachment to aerosols. Makes it possible to apply cleaners and lubricants both focused, for precision work, or more wide acting.

PROPERTIES

- Is quick and easy to vary without any loose parts.
- Is practical and provides greater use of existing aerosols.
- Is removable and can be used repeatedly without being destroyed.

FIELD OF APPLICATION

- For use with suitable aerosol cans.
- Multi Nozzle is best suited to aerosols with lower viscosity.

USER INSTRUCTIONS

1. Remove existing nozzle using Easy Grip plier or similar.
2. Fit Multi Nozzle on pin (aerosol) and press to lock.
3. Ready to use.

Please note that distance from surface affects the spray pattern.
