

PRE PEN

DESCRIPTION

Mini blaster in pen format to remove rust, oxides, dirt and other deposits.

PROPERTIES

- Designed for use on surfaces without scratching or damaging them.
- More than 20,000 glass-fibre threads at the front increases accessibility and accuracy of cleaning enormously.
- The glass-fibre threads are thinner than hair but stronger than steel when it comes to cleaning.
- Is very fast and good-value.
- Extra tip available inside.

FIELD OF APPLICATION

- Perfect for cleaning before gluing or soldering.
- Cleanses very simply and precisely in cracks, corners, joints and other hard to reach places.
- Ideal for grinding when enhancing paintwork.

USER INSTRUCTIONS

Be careful so that the small fibre-glass threads don't end up in your eyes. They can also be unpleasant on the skin.
