

# SUPER FOAM WIPES

## DESCRIPTION

Super Foam Wipes combines professional cleaning fluid with the mechanical effect of wipes, in one convenient product. For quick and effective cleaning of hard surfaces, without the need for spray bottles, paper towels or water. Ideal whenever cleaning needs to be carried out immediately at the point of use. Both liquid and wipe are readily biodegradable.

## PROPERTIES

- Ready to use – cleaning fluid and wipe in one product
- Quick and efficient cleaning of hard surface, reduces the number of work steps and helps achieve consistent cleaning results
- The wipe absorbs and retains dirt, preventing it from spreading across the surface
- Leaves no visible residue, on most surfaces
- Practical bucket that is always close at hand
- Suitable for a wide range of hard surface materials
- No abrasives
- Included in the Green Line premium product range
- High % of Readily Biodegradable content
- Wipes made of viscose, 100% free from plastics and OEKO-TEX certified, biodegradable (EN 14046) and compostable (EN 14045)

## FIELD OF APPLICATION

- Cleaning of glass, plastics, stainless steel, painted surfaces, dashboards, worktops etc.
- Removes Grease, nicotine, soot, oil, and organic substances not removable by using acidic or alkaline cleaning agents
- Effective on soft materials such as textile, carpets, inside car, etc.
- Workshops and industrial facilities
- Service and installation companies
- Warehouses, logistics and public sector environments
- Hotels and conference facilities and maintenance

## USER INSTRUCTIONS

Open the lid and pull the first wipe through the opening in the lid. Close the lid securely after use to keep the remaining wipes moist.

Wipe the surface until the dirt has been removed. On high-gloss surfaces, a final wipe with Micro Gloss can provide an even higher-quality finish.

If the wipes dry out because the lid has been left open, they can be re-moistened by adding an appropriate amount of water. The amount of water depends on how many wipes remain in the bucket
